

Introducing the New ST5 8860

ST5 GT Version: AA0700CG1N

ST5 FN Version: AA0710AG1N

HOMOLOGATED FIA 8860-2010/SNELL SA2015 RETAIL PRICE \$2799

The Stilo ST5 8860 is the newest model to be added to the Stilo line of helmets. These helmets are homologated to FIA 8860-2010 (and Snell 2015) certification.

- Shell design optimizes shell size, airflow, visibility, and weight
- Features a large eye opening for exceptional vision
- Multi-function visor locking system
- Price includes HANS Posts
- Both ST5 GT and ST5 FN models will be available to ship beginning January 1st, 2018

The Stilo ST5 GT models come ready for integrated electronics, air supply, and hydration. You can use any combination of the three. All options integrate seamlessly with the new ST5 GT 8860 from Stilo.

The Stilo ST5 FN model offers the same comfort and fit as the GT model without the integrated accessory ports on the side of the helmet. Eliminating the integrated ports offers a reduction in weight making the ST5 FN one of the lightest helmets available. Non-integrated accessories can be purchased.
